

Loft

You're a true visionary, constantly creating and birthing something new. You feel at home in a space that gives you enough room to play and work on your projects, without having to hold back. You need to spread out. A historic loft with an abundant shelf space and high ceilings makes you feel at ease and inspired each morning as you wake up ready to express your soul through your craft.

YOUR ESSENCE: *Wood*

**Pure, logical, energized, fearless, artistic,
engaged, active, innocent, no limits to what's
possible, thrive under pressure**

PLANTS

You love plants, don't you?

Invite them to your home, as much as possible. Plants remind you of your own capacity to grow and be flexible with life.

The key words are expansion and outward.

But don't forget, so much of your power stems from your roots. **The more grounded you get, the higher you go.**

BOOKSHELVES

You have an appetite for knowledge.

Bookshelves filled with books add Wood Element to your home, and keep you engaged with your imagination.

You love new design, minimalism and furniture made out of natural wood. Books will bring dimension to otherwise simple decoration.

CREATIVE BOARDS

Wood is the rising sun, the very first spring day, and a vision yet to fulfill itself.

Surround yourself with your favorite quotes and creative boards.

Perhaps, name one of your rooms Studio of the New Dawn. It's where you come up with your best ideas. **It is through invention that Wood element people find their spiritual path.**

Peter Pan:

"The moment you doubt whether you can fly, you cease forever to be able to do it."

Now that you have identified what your dream space says about your essence, I'd like to help you go deeper into building **your entire life** around your core essence.

Introducing... The School of Living Light – a program that will help you

- Identify where in your life are you not living according to your essence.
- Become a clear vessel for your innate gifts – and no longer be discouraged by the next coach or boss making you feel like you are not doing it right.
- Know when to say “no” – and when to say “yes”. Powerfully. In life, in business and in bed.
- Accept and adore every inch of YOU.
- Feel less overwhelmed – you no longer carry the world on your shoulders.
- Transform your current living space into your dream space.
- Make your home a sanctuary instead of a burden – home that brings the best out of you, every day.

There's one main goal: To remember who you are. **When you do business, love and life from that place, you can not fail.** You are living your purpose – the reason why you came here.
